VESSEL MOVEMENTS WITHIN WICK HARBOUR LIMITS

Mariners are advised to ensure they keep a listening watch on Channels 16 & 14 when manoeuvring within Wick Harbour limits. As Wick Harbour at present is not manned 24 hours, 7 days a week, Crew Transfer Vessels will be using Channel 14 to broadcast their vessel movement intentions within Wick Harbour limits.

All vessels should proceed with caution at the slowest possible manoeuvrable speed, consistent with safe navigation and obey all signals and instructions.
