

## Activities in Sinclair's Bay – September 2018

Below is a short description of work activities being undertaken in Sinclairs Bay out to position approximately 35km offshore over a period of approximately 4 weeks.

**Project:** Statoil Snorre

**Start Date:** 18<sup>th</sup> September 2018

### Work scope:

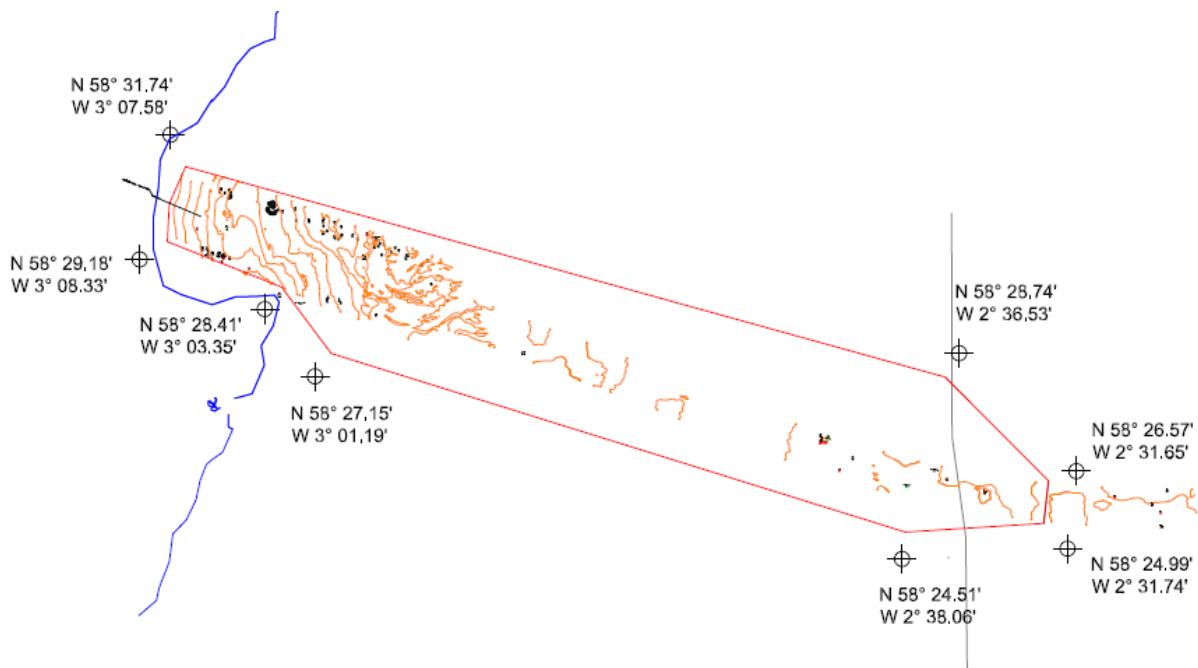

The survey vessel Coral Wind shall be undertaking multi beam sonar surveys of the area detailed below over a period of approximately 4 weeks commencing 18<sup>th</sup> September. It is anticipated that the works will start at the offshore end working towards the beach. The vessel will be running parallel lanes of approximately 50m spacings.

The vessel will sail daily from Wick Harbour

Details of the survey area are below as well as on the attached chart extract.

N 58° 31.74' W 3° 07.58'  
 N 58° 28.74' W 2° 36.53'  
 N 58° 26.57' W 2° 31.65'  
 N 58° 24.99' W 2° 31.74'  
 N 58° 24.51' W 2° 38.06'  
 N 58° 27.15' W 3° 01.19'  
 N 58° 28.41' W 3° 03.35'  
 N 58° 29.18' W 3° 08.33'

### Chart Plot:

### Liason:

Could all fishing vessels advise location and gear type that may be present within the survey area to allow these to be plotted and avoided/identified where applicable.
