

NOTICE TO MARINERS

(No 18 of 2018)

DATE: 22nd November 2018

WICK HARBOUR

(CHART 1462 REFERS)

Latitude 58° 26' North Longitude 003° 04' West

Wick Bay: NAVIGATION HAZARD

A large tree trunk (approximately 25 feet in length) is presently floating in the vicinity of Wick Bay. This poses a hazard to safe navigation and has the potential to damage any vessel which may collide with it.

Weather conditions at present do not allow for recovery. Any vessels navigating within Wick Bay and surrounding area are requested to keep a sharp lookout, consistent with safe navigation, for the aforesaid item.

For further information Contact: Malcolm Bremner, Harbourmaster
