

# Port Information Notice

No 1 - 2024

**DATE: 04 February 2024**

**WICK HARBOUR**

(CHART 1462 REFERS)

Latitude 58° 26' North      Longitude 003° 04' West

Please be advised that further works are to take place within the area of the Outer Harbour entrance, beginning 5<sup>th</sup> February 2024. This work will in the main consist of filling and grouting of stonework to further stabilize the Harbour wall. Work will be undertaken by Lochshell Engineering Ltd and will involve a man basket being deployed over the quayside for access.

All vessels are requested to call on VHF Channel 14, stating their intentions and movements, and to navigate with care at the slowest possible speed, consistent with safe navigation when transiting past the work area. Extra care should be taken on approach to the Outer Harbour entrance and a wide berth taken when approaching the man basket when works are taking place.

Vessel skippers are to follow any instructions conveyed by Wick Harbour Authority. Please be aware it is possible there may be occasions when a short delay for larger vessels entering or leaving the Harbour will occur, and your assistance in this matter is greatly appreciated.

Wick Harbour can be contacted on VHF Ch14, or by telephone on 01955 602030 (24Hours).

The expected duration of works will be approximately up to 2 weeks, weather depending.
