4. General Safety Advice

On 17 March 2017 the department of Business, Energy and Industrial Strategy confirmed that BOWL is permitted to enact temporary 500 metre radius safety zones around all major maintenance works being undertaken on BOWL assets within the Windfarm.

Only vessels involved in activities related to major maintenance work are permitted to enter or remain in the safety zones while they are in force.

fishermen who have static fishing gear deployed within 500 m from the WTG's where major repairs are planned (see figure 1 & 2) are requested to provide the coordinates of such deployed gear in DMS and details of whether the surface markers used are visible at all states of visibility to Alex Winrow-Griffin (Brown & May Marine) using the contact information below.

MARINERS ARE REMINDED to navigate with caution and keep continued watch on VHF Ch. 70 / 16 when navigating the area.
